ABOUT ME

Confident, proactive and enthusiastic professional with experience in successfully delivering a variety of projects. I have demonstrated outstanding results whilst working under pressure in highdemand environments.

I have done this through excellent communication, fast and agile approaches to unexpected situations and effective stakeholder management.

My other interests and work experience have given me an analytical yet creative eye, causing me to challenge the norm and bring a touch of vibrancy to everything I do.

EXPERIENCE

IT developer

ACTIVE8

2022 - 2022

- Involved in the creation of a website for a client, where my team and I completed the project ahead of the client's deadline.
- Assisted seniors during project development.
- Was trained in website SEO optimization, thus I was able to do the project with 30% more accuracy.
- Spotting and debugging parts of code.
